Ensure that portion is covered before 1 month of the semester

1.we want more explore about our career

To improve the college infrastructure

They are very good professors but sometimes they gave a feel like parcial

Need more interaction with students

Introducing internship would be much better

- 1) Repair the classrooms.( Floor, Fans)
- 2) Materials used in laboratories are so old( We are not getting proper result in the experiment)

To Improve the college infrastructure

Teachers in this institution teaching very well

...

Teaching for 45 mins

Change some of the prescribed textbooks

Make all kind of books available in Library

Nun

- 1) Use better graphic and visual media to engage students well.
- 2) Try to reach every student and ask for their doubts.
- 3) The mentor should ask about they results and try help the poor students.

Nothing to say all are very satisfied

No seminar

Nothing...all good

Books for semester is not fully available they only has limited number of such as 30 for 40 students

Best teaching experience and good atmosphere.

-nil-

Always good

1.Reduce writing work

Notes writing, test , assignment

Need to improve. Need support

Conduct some Seminars

Need to improve

Need advanced teaching methods.Need many educational exposure and need to improve practical practices.

- 1 . Prepare well for the class before teaching
- 2 . Please don't omit the chapters or topic or any part from the syllabus . Teach all the portions from the syllabus
- 3 . Explain the topic clearly and drag the attention of all students in the class by teaching them in an interesting way

Need to improve and support

Implement more interactive teaching method case studies, group discussions, and hands-on activities.

Can improve handwriting in board

Communication

Overall good

Improve our syllabus for better learning, and we want placement (company work) Last year finishing students to go job

Give a visual example is also best way to learn more things

Implement more interactive teaching method case studies, group discussions, and hands-on activities

Support

Nothing

There's no suggestions for me to give

Excellent

They teach good

It's good 👍

Very poor

Very good teaching staffs

Very Good

Nothing overall good

Every thing excellent

The learning experience is overall good

Allow Students to search and taken the books by themselves from the library.  
Students should be provided with a good working computer in the laboratory.  
College should provide more placement and intership programs for students.

Need more library infrastructure

Excellent teaching in my institution

No idea  
about  
this section

Very good satisfaction

No suggestions bu my side

It's good enough no need any suggestions

I don't have any suggestions about improving the overall teaching and learning experience in my institution because it is already perfecting and good

1.more digital learning

Very good teaching  
Keep it up  
Neat campus

Need little more infrastructure facilities

Everything is fine no suggestions

Very excellent teaching

\*By using smart class  
\*giving more suitable example

Veri good

Finish portion within time

1. Implement digital classes
2. Engage more field visits
3. Give more practical and technical knowledge.

Mentor can become more friendly in 1st year itself may be more useful

Extra exam

Important notes, material and complete reference

Good

Make the education more interesting

Normal teaching

introducing extracurricular activities

It's excellent

Internship, practical teaching, use it tools

Always enjoy it. Miss my college.

In our college, already they are being teaching very well already.  
But according to the syllabus they can include the real projects to improve the quality of college degree.

All teachers are good

More practical training

satisfied

Satisfied with the current one no suggestions needed

Strongly agreed learned many things .  
Teaching are patience and understanding.  
In-depth knowledge.

1. Make teaching a two way interaction.
2. Try to reach every students and asked for their doubts.
3. Use different activities in class like videos, discussion, lectures, groups, etc.....,

Over all teaching is good but need to maintain a proper timetable from the starting of the semester year.

Teaching was very good and all the teacher will always interact with students they actually help us to overcome the struggle related to studies

Good improve they skill

My teacher is always kindly response to me  
Good teaching

Always friendly
